

Why TIEC's Co-working Space is the Ultimate Spot for Startups

To all entrepreneurs who are working remotely in Cairo, TIEC's co-working space is the place for you and your team to be! Not only does TIEC provide startups with FREE space, it also gives them free access to all the mentors and trainings offered.

In addition to working from the heart of Smart Village, Egypt's prime Technology and Business Park, you will also be surrounded by the best startups that are incubated and accelerated at TIEC.

Startups can register for a duration of 3 months and renew based on availability.

If you are a startup with a team of maximum 5 people, register here to enjoy TIEC's co-working space:
