

Announcement

Venture by Shahid (“**Venture**”) is proud to announce that it has signed a Cooperation Agreement with Gemini Enterprises Africa (“**Gemini Africa**”) on July 14th, 2019.

Through this Cooperation, Gemini Africa and Venture shall be working on building a solid foundation for entrepreneurs and startups across the region where a door will be opened for startups to gain access to sound business mentorship and legal services.

We believe that this cooperation will create a significant and positive impact on the startup community within the African region.

About Gemini Enterprises Africa

Gemini Enterprises Africa, headed by Eng. Adly Thoma, is a company that aims at overcoming the development challenges facing the African continent through sponsoring young entrepreneurs and start-ups, and fostering sustainable development. Gemini Africa fosters entrepreneurs through skills-based training, motivational funding and sustainable equity partnership to elevate communities towards profitable empowerment. Not only does Gemini Africa’s partnership model address the development challenges of poverty, gender-discrimination, and youth unemployment, but it also integrates bright youth into the local economy and strengthens entrepreneurial ecosystem, at the heart of which the company stands.

About Venture by Shahid

A department founded by Shahid Law Firm in January 2019 and headed by Rehan El-Bashary. Venture’s main goal is to help and support the startups’ ecosystem by contributing to the growth and development of a startup through providing the optimal legal guidance and tailored solutions which would contribute to the success story of a startup.

Venture provides full business oriented legal services adequate to the bespoke needs of all startups to help them flourish their business using a cost-efficient model and advanced technology.

The legal services mainly consist of providing pre and post incorporation services, corporate structuring and the implementation thereof, obtaining requisite licenses for the business, drafting and negotiating agreements including first round financing and joint venture documents, share subscription and shareholders agreements.
