

Egypt hosts the **57<sup>th</sup> ACI & 43<sup>rd</sup> ICA World Congress** from the 25<sup>th</sup> to 27<sup>th</sup> of October 2018 at the Four Seasons Nile Plaza Cairo under the auspices of H.E Tarek Amer Governor of the Central Bank of Egypt.

The merger of the ACI and the ICA conferences has attracted many participants from across the globe. The event will include the world's top banks and financial institutions.

More than 600 delegates from around the world are expected to gather in Cairo to access discussions on the latest developments in the world-banking sector. Keynote speakers will tackle issues of importance to all financial market participants with focus on Global Economic and Political Outlook. The 2-day event will start off with an opening speech from his excellency Mr. Tarek Amer, Governor of the Central bank of Egypt and witness discussions from notable speakers including but are not limited to:

- Dr. Mahmoud Mohieldin - Senior vice president for the 2030 Development Agenda, United Nations Relations, and Partnerships at the World Bank Group.
- H.E Sigmar Gabriel - Former Federal Minister for Foreign Affairs & Vice-Chancellor of Germany.
- H.E Angelino Alfano, Former Italian Minister of Foreign Affairs
- Sir Howard Davies - Chairman of the Royal Bank of Scotland.
- Mr. Pascal Lamy - Former Director-General of the World Trade Organization.
- Cornelia Holthausen - Deputy Director General in the Directorate General Market Operations of the ECB.
- Eva Kaili, Chair of the European Parliament's Science & Technology Options Assessment body.
- Dr. Reza Baqir - Senior Resident Representative of the International Monetary Fund.
