

B Investments Releases 9M2018 Financial Results Posting a Consolidated Net Profit of EGP 147 Million Recording a 50% Y-o-Y increase

B Investments Holding S.A.E “B Investments” (BINV.CA on the Egyptian Exchange), Egypt’s leading private equity company, announced the release of its financial results for the period ending September 30th, 2018

15th November 2018

B Investments reported today its audited results for 9M18; posting consolidated Revenues of EGP 187 million, compared to EGP 118 million recorded in 9M17 and implying a 59% Y-o-Y growth. The growth in Revenues were mainly derived from dividends declaration and share of profits from portfolio companies, in addition to Finance Income.

Earnings before Tax grew by 61% to reach EGP 159 million despite one-off consultancy fees of EGP 8 million.

9M18 Net Income after Tax reported a Y-o-Y growth of 50% to reach EGP 147 million on the backdrop of the reasons mentioned above. B Investments achieved a Net Income margin of 79%.

“We are pleased to report these stellar financial results for the first nine months of the year” said Hazem Barakat, Chairman of B Investments. “Our current portfolio companies continue to deliver impressive results and remain on a growth trajectory as we continue to work closely with our partner companies. We are very excited about our recent investment in Gourmet Group as we believe the company is on a path to deliver solid growth in the coming period” added Mr. Barakat.
