Yasseen Mansour, Chairman & Group CEO Comments:

I am pleased to share with you our operational and financial results for the year ended December 31, 2020, where our performance witnessed remarkable improvements amid the current challenging environment.

We achieved New Sales of EGP12.8 billion during FY2020, surpassing our previously announced target of EGP12.0 billion despite the ongoing COVID-19 situation, supported by the steady recovery in home buying transactions, complemented by the growing demand for our Ready to Move products, and strong uptake in commercial offerings.

The Company sold 1,840 units and handed over 633 units during the year. We continue to outpace our handover schedule on almost all projects on contractual delivery dates and are ahead of schedule in many projects including the Crown and Palm Hills New Cairo.

As we promised the market, we successfully reduced our Net Debt to a record low of EGP0.6 billion in FY2020, compared to EGP1.7 billion by end of FY2019. Our Balance Sheet maintained a strong position with Total Equity (unadjusted) of EGP9.5 billion and Receivables of EGP21.8 billion. Net Debt/EBITDA stood at 0.6x, supported by steady improvements in the Company's Cash Flow position.

We expect to engage in further securitization transactions during 2021 for a gross portfolio of c. EGP2.5 billion, to improve our Balance Sheet further. We achieved positive Cash Flows from Operations of EGP1.9 billion in FY2020, a growth of 13% YoY.

Given our improving Cash Flow position, on February 28, 2021, the Company's Board of Directors agreed to put forward a proposed Cash Dividends of EGP0.10/share, subject to our Shareholders' approval in the upcoming Annual General Assembly, which is planned towards end of March 2021. Moving forward, we expect to give back excess Cash Flows to Shareholders in the form of Cash Dividends and Share Buyback, depending on the stock market conditions. The Cash Dividends is not foreseen as a one-off, we expect to have a steady stream of dividends over the next 5 years. We have purchased c.2.5% in treasury shares since we adopted the Share Buyback program last year. We are planning to terminate and reduce Issued Capital by 36.3 million shares later this year.

We expect to spend EGP2.5 billion on construction during FY2021 with further acceleration in the pace of handovers and deliveries target of 1,450 units. The Company is eyeing New Sales of EGP15 billion, capitalizing on the Ready to Move products, Badya, The Crown, Palm Hills Alexandria, Palm Hills New Cairo and further value unlocking from commercial assets.
