Forward-Looking Statements

This document may contain certain "forward-looking statements" relating to the Company's business. These may be identified in part through the use of forward-looking terminology such as "will," "planned," "expectations" and "forecast" as well as similar explanations or qualifiers and by discussions of strategy, plans or intentions. These statements may include descriptions of investments planned or currently under consideration or development by the Company and the anticipated impact of these investments. Any such statements reflect the current views of the Company with respect to future events and are subject to certain risks, uncertainties and assumptions. Many factors could cause the actual results, performance, decisions or achievements of the Company to be materially different from any future results that may be expressed or implied by such forward-looking statements.
