About Orascom Investment Holding (Orascom Investment)

Orascom Investment Holding has been operating as a holding company with investments mainly in the telecom, media & technology and cable businesses since its establishment in 2011. Born out of the split of assets between OTMTI and VEON (formerly known as Vimpelcom), Orascom Investment holds the legacy of the region's most successful telecoms operator. As the industry matured, Orascom Investment recently adopted a new direction to diversify its portfolio from a solely Telecom and Technology based firm to an Investment Holding company.

Orascom Investment Holding invests in industries that are critical to the future and is currently exploring opportunities across Egypt, Africa and the Middle East.

Wherever we invest, we will always aspire to transform lives to make a lasting contribution to sustainable economic development.
