Dear Madame/Sir,

In the context of strengthening bilateral cooperation between Egypt and Angola; the African Export-Import Bank (Afreximbank) working in collaboration with the Angolan Embassy in Egypt will co-sponsor the Angola-Egypt Investment Roundtable discussion, which is scheduled for 30th March 2022 at the Hilton Cairo Heliopolis Hotel.

The Roundtable shall draw various participants including Egyptian and Angolan government officials, investors and businesses from a number of sectors including Agriculture and Fisheries, Coffee Processing, Transport, Energy and Water, Defence, Oil, Gas and Mineral Resources. The purpose of the Roundtable is to facilitate direct engagements with Governments of Angola by creating a platform through which businesses and investors from Egypt will learn about trade and investment opportunities in Angola and to offer a platform for discussions on ventures and partnerships, which the Bank will consider financing.
