**Note on international spending limits for credit cards (Purchases-Retail Transactions):**

Maximum foreign currency use within 30 days is the credit card limit amount. Please note that the 30-day count will start with the first transaction in foreign currency on a rolling basis.

Example: If the credit card limit is EGP 40,000, and you use the equivalent of EGP 20,000 in foreign currency on the first day of the month, and EGP 15,000 EGP on the 15<sup>th</sup> day of the month, and the equivalent of EGP 5,000 in foreign currency on the 20<sup>th</sup> day of the month, then you will start on the first day of the following month with a usage limit equivalent to EGP 20,000 in foreign currency, increasing to EGP 35,000 on the 15<sup>th</sup> day, and EGP 40,000 on the 20<sup>th</sup> day.
